## Experience

### **WSYX (ABC)**

**January 2023 to Present**

Columbus, OH

#### **News Reporter**

- Chosen by Sinclair Broadcast Group to cover the aftermath of Hurricane Helene (September 2024) and produce stories and live shots for Sinclair Broadcast Group stations across the country
- Fronts compelling breaking news live shots
- Develop story ideas based on leads or assigned by researching, investigating and observing
- Write stories using proper grammar and following AP style guidelines while also ensuring they are compelling and professional in style and presentation
- Rework pieces as requested by managing editor or staff editors and update pieces as needed for ongoing or developing stories
- Arrange and conduct interviews when needed to collect witness statements, get information from experts or individuals or work on a lead for a proposed story
- Create relationships with members of the community, law enforcement and other agencies to develop access to credible sources for future stories
- Convert stories to be posted on company website, and create social media posts to drive traffic to the website
- Meet all deadlines for projects as requested by managing editor
